PROFESSIONAL OUTLOOK

Proactive Front-End Developer with a strong background in creating visually compelling, optimized, SEO-friendly, and functional websites. Proficient in CSS, Javascript, React and Nextjs. I am inspired by innovative thinking and thrive in supportive team settings, constantly seeking new ways to approach challenges. I have been commended for my work ethic and growth mindset, committed to open communication to ensure success in every project I work on. I am in a position to deploy my knowledge & expertise while building on my skills & experience in technology-driven companies.

WORK EXPERIENCE

Front-end Developer | Freelance

Jan 2023- present

- Developed and managed “The Bro Code” website for the renowned Twitter Influencer, KalyJay using Next js, Tailwind CSS, and Firebase hygraphCMS, connected to MailChimp.
- Created a fully responsive website for a startup and an e-commerce website using React.js and HTML, CSS, and JavaScript respectively.

Front-end Developer | LeadAfrique International, Ghana

Mar 2023- Dec 2023

- Professionally built and revamped the organization's website with Next.js, Tailwind CSS, and Typescript, constantly
- Managed the website and constantly updated it with current media which increased visibility and received significant applause from donor funders.
- Assisted the technical team with basic IT troubleshooting, and system updates and occasionally contributed to the success of leadership training programs by capturing and editing compelling visuals for social media.

Technical Officer Intern

Jun 2019- Mar 2023

LeadAfrique International, Ghana

- Assisted with research work and data entry of the numbers and names of all secondary and basic schools in Ghana using Microsoft Office Excel
- Assisted with photography and videography of events and other training workshops.
- Successfully compiled a workbook from scratch for the 2022 annual summer camp money edition.
- Acquired and developed skills in video editing and graphic design

FEEDBACK FROM PREVIOUS MANAGERS AND/OR CLIENTS

Kalyjay (Twitter influencer) - Great and beautiful website and recommended me on his Twitter page. Website: thebrocodegh.com

**Letitia Ohene-Effah (Co-founder, Leadafrique International)- This website is what we've been looking for, I like it very much.
